

Specifications

NKLT4

- * Stroke length : 100~1000mm
- * Thrust and pull : 400N
- * Locking force : 2000N
- * No load speed : 15mm/s
- * Full load speed : 10mm/s
- * Rated voltage : 24VDC
- * Rated current : 1.2A
- * Rated power : 28.8W
- * Life time : more than 30000 times
- * Window width : 0.5m~1.5m
- * IP Grade : IP32
- * Operating Temperature : -10°C~+60°C
- * Overload protection
