

## Specifications

### NKLA22-BL(Brushless motor)

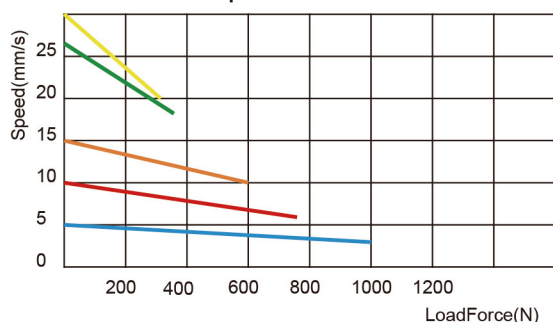

- \* Stroke Length: 100~400mm(option>400)
- \* Color: Silver Grey
- \* Limit Switch: Built-in
- \* Duty Cycle: Continuous use
- \* IP Grade: IP54/65
- \* Operating Temperature: +5°C~+40°C
- \* : CE
- \* Brushless motor
- \* Optional Part: Sphericla plain bearing

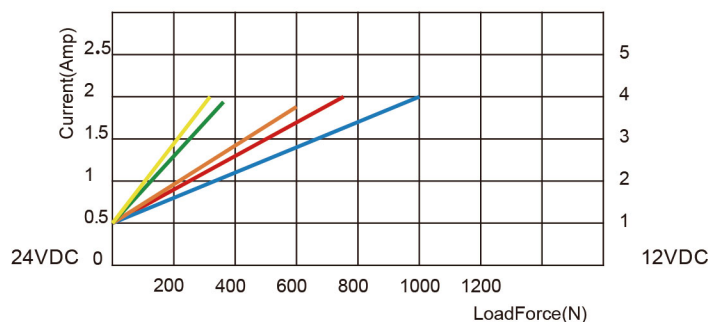

## Load and Speed

|                          |       |     |     |     |     |     |
|--------------------------|-------|-----|-----|-----|-----|-----|
| Dynamic Load(N)          | 1000  | 800 | 750 | 600 | 350 | 300 |
| Static Load(N)           | 1000  | 800 | 750 | 600 | 350 | 300 |
| Speed at Full Load(mm/s) | 3     | 4   | 5   | 10  | 17  | 20  |
| Input(VDC)               | 12/24 |     |     |     |     |     |
